

Only 2 more weeks of classes until exams How can you do your best?

Ask questions to your teacher and classmates
Book Consultations with your teachers
Create a study group and help each other with unit content
Read your notes
Do the practice exercises
Attend every possible class
Check Moodle for additional practice and information/ notes
Meet the Student Support Officer – Richard – he can assist with anxiety and study support

You can still improve your grades and have a successful trimester. 😊

Remember MIT is here to help you achieve your academic dreams. Come in and talk to us now.
